Fullview Leaders,

Brothers and Sisters, I want to thank all of you for the many ways you allowed me to be your pastor. As the years go by, I look back fondly on our time together. I trust the same is true for you as leaders of the Fullview Missionary Baptist Church.

As leaders, we are called to shepherd this flock so as to equip and see that our members are built up into "the unity of the faith and of the knowledge of the Son of God" (Ephesians 4:11-16; Acts 20:28). We are called to discharge our duties knowing that one day we will stand to give an account before God for how we have led this church (2 Timothy 4:1-5; Hebrews 13:17). I believe we have in place a leadership team, staff, and plan that will enable this congregation to move confidently and boldly into God's future.

A few weeks ago, I received a medical diagnosis that will require that I take some time to heal. While I seek refuge for restoration, I have asked Reverend Warrie Williams to shepherd this flock as Interim Pastor. I am confident that God will sustain him with a spirit of courage and comfort as he preaches and teaches the Word. During my time of respite, it is my prayer that the Fullview congregation will accept Reverend Williams as the interim pastor, uphold him in prayer, and afford him love and respect.

The Fullview family has impacted my family in countless ways. Wilma and I thank you for everything you have done – the friendship, the support and the love. I hope we have been able to give back a fraction of what you have given us. We praise God for bringing us together with you. We look forward to the time when we can all be together in worship service again.

God Bless,

Rev. Walter
